## FEATURES

### Cleans 600% Better than Hands

Spins 210 times per minute up to 420 times. Cleanse & Refine your skin like never before. Spend less time cleaning and get clearer, brighter, healthier looking skin.

### Interchangeable Brush Heads

Brush Fibers only .05mm thick dig out dirt, oil, bacteria, and dead skin from your pores which helps prevent formation of blackheads, whiteheads, and acne.

### IPX 6 Rated Water Resistance

Use the LAVO Giro in the shower or rinse off in the sink without worrying about water getting inside. As long it's not submerged completely underwater it will be fine.

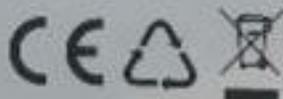

### Free Replacement

Should your machine malfunction due to a manufacturer's defect we'll replace it for you free of charge. Email us at [support@lavoskin.com](mailto:support@lavoskin.com) and we'll take care of you.
